

AEI Cables Limited

(A Ducab Group Company)

Health, Safety and Environmental Policy

AEI is a leading and responsible supplier of cables and mineral cable accessories dedicated to protecting the Health, Safety and Welfare of its employees, as well as minimising the environmental impact of its business, products and services. AEI recognises Health, Safety and Environment as an integral part of business performance and we are committed to compliance with all applicable legislation or other requirements relative to AEI Cables Ltd, anticipating future changes, assessing risks and taking precautionary measures to prevent or minimise risk.

Outstanding HSE performance at AEI is achieved by ensuring:

- Our products and services are of the highest quality, designed for minimum usage of material, minimising waste and recycling materials wherever possible to promote sustainability.
- Effective training, education, communication and involvement of our employees on HSE requirements and best practice.
- Communication with customers, suppliers, regulatory authorities and other interested parties to promote positive HSE improvements.
- HSE policy is made available to interested parties.
- HSE policy is reviewed annually for continuing suitability

AEI Senior Management will provide the necessary resources to implement the HSE policy and ensure that all employees place Health, Safety and Environment as their prime responsibility.
